

Свойства

Съединение 1	външна резба BSP цилиндрична
Форма на уплътнение 1	60° вътрешен конус
Съединение 2	външна резба NPT
Форма на уплътнение 2	уплътняващ резбата
Конструкция	накрайник с холендър
Модификация	права
Материал	стомана
Повърхностно защитно покритие	с галванично покритие
