

Свойства

Съединение 1	външна резба BSPT сферична
Форма на уплътнение 1	уплътняващ резбата
Съединение 2	вътрешна резба BSP цилиндрична
Форма на уплътнение 2	плоско уплътняващи
Конструкция	накрайник с холендър
Модификация	права
Материал	стомана
Повърхностно защитно покритие	с галванично покритие
