Gun body	Aluminium

Note

Further information on request

Description

Steplessly adjustable, lightweight and ergonomically optimised high-volume blow gun with exceptionally high blowing power. The »Typhoon« model, which achieves approximately three times the blowing power of conventional guns, rests comfortably and securely in the hand even when full pressure is applied. Extension tubes can be supplied for blowing out inaccessible points.

Item

Identification	Connection	Connecting thread
K- 07 10 00 20	Stem, I.D. 6	G 1/4
