

K-ELEKTRO-KABELAUFROLL POLY

Electrical cable reel (polypropylene) easy mounting on the wall or ceiling

HANSA FLEX

Свойства

тип кабел	HO5VV-F
сила на тока	Max. 10 A
Съединение	SchuKo plug
за напрежение	230 V, 50 Hz
консумирана енергия	Max. 1000 W (fully wound), max. 2000 W (fully unwound)
Ъгъл на накланяне	180°

Указание

Други данни при запитване.

Описание

High-quality, polypropylene housing. Includes a thermal circuit breaker. In case of overloading, a thermal overload protective circuit cuts off the electrical power supply automatically.
