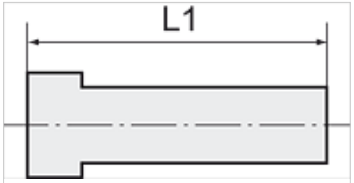
# K-VSTO PP
Plugs

## 属性

| | |
|---|---|
| **工作压力** | on request |
| **工作温度** | Max. +20 °C |
| **原料** | Polypropylene (PP) |
| **密封材料** | NBR |



## 提示

其它数据应客户要求提供。

## 描述

Lightweight, push-in fittings distinguished by high strength, toughness, resistance to abrasion and impact resistance - ideal for a wide range of applications. Plastic and metal tubes are connected together quickly and easily. Suitable for compressed air or liquids, with good resistance to a large number of chemicals.
