

# K-VHR 6KT BUND

Hexagon head screw plugs with collar

**HANSA FLEX**

## Свойства

|                        |                                  |
|------------------------|----------------------------------|
| работно налягане       | 10 bar                           |
| температура на средата | max. +90 °C                      |
| околна температура     | Max. +90 °C                      |
| Конструкция            | винтови тапи, с външен шестостен |
| Материал               | Brass with a bare metal surface  |

## Указание

The dimensions of the standard screw fittings may change slightly during the life of the catalogue as a result of optimisation processes.
