

# RD IR VA

## Rückschlagventil, Verbinder

### Eigenschaften

|                        |                              |
|------------------------|------------------------------|
| <b>Anschluss 1 + 2</b> | BSP-Innengewinde zylindrisch |
| <b>Dichtform 1 + 2</b> | Form A                       |
| <b>Bauart</b>          | Rückschlagventil, Verbinder  |
| <b>Bauform</b>         | gerade                       |
| <b>Werkstoff</b>       | Edelstahl                    |

### Artikel

| Bezeichnung    | Ansprechdruck | Betriebsdruck | G1           | Ø D1<br>(mm) | L1<br>(mm) | L2<br>(mm) | S1 | S2 |
|----------------|---------------|---------------|--------------|--------------|------------|------------|----|----|
| RD NW 04 IR VA | ca. 1 bar     | PN 400        | G 1/8" -28   | 19,0         | 42,5       | 8,0        | 19 | 19 |
| RD NW 06 IR VA | ca. 1 bar     | PN 400        | G 1/4" -19   | 19,0         | 51,0       | 12,0       | 19 | 19 |
| RD NW 10 IR VA | ca. 1 bar     | PN 400        | G 3/8" -19   | 24,0         | 60,0       | 12,0       | 24 | 27 |
| RD NW 13 IR VA | ca. 1 bar     | PN 315        | G 1/2" -14   | 32,0         | 72,0       | 15,0       | 32 | 36 |
| RD NW 20 IR VA | ca. 1 bar     | PN 250        | G 3/4" -14   | 41,0         | 84,0       | 16,5       | 41 | 46 |
| RD NW 25 IR VA | ca. 1 bar     | PN 250        | G 1" -11     | 46,0         | 95,0       | 19,0       | 46 | 50 |
| RD NW 32 IR VA | ca. 1 bar     | PN 250        | G 1.1/4" -11 | 60,0         | 110,0      | 21,5       | 60 | 60 |
