

| Eigenschaften  |                   |  |  |  |
|----------------|-------------------|--|--|--|
| Ausführung     | zum Einschrauben  |  |  |  |
| Temp. min.     | -30 °C            |  |  |  |
| Temp. max.     | 100 °C            |  |  |  |
| Werkstoff      | Gehäuse: Polyamid |  |  |  |
| Filtermaterial | organisch         |  |  |  |

| Filterfeinheit<br>(µm) | Luftmenge<br>(L/min)  | B<br>(mm)                              | C<br>(mm)  | G1   | Ø A<br>(mm)   | Gewicht   |
