

# XK VA

## Fitting, cross shaped

### Properties

|                    |   |
|--------------------|---|
| Connection 1 - 4   | metric cylindrical outer thread             |
| Sealing form 1 - 4 | 24° inner cone                              |
| Design             | Fitting                                     |
| Construction       | K shaped                                    |
| Standard           | DIN 3951                                    |
| Scope of supply    | Socket (without union nut and cutting ring) |
| Material           | Stainless steel                             |

### Note

Information about fitting, installation, pressure loads and permissible operating temperatures can be found in the technical information for pipe fittings.

### Item

| Identification | Series | Operating pressure | Ø d2<br>(mm) | L2<br>(mm) | L7<br>(mm) | AF<br>(mm) |
