

metric cylindrical outer thread				
Shape B				
metric cylindrical inner thread				
Reducing adapters				
Long				
Steel				
electro galvanised				

## Note

Information about fitting, installation, pressure loads and permissible operating temperatures can be found in the technical information for pipe fittings.

Item									
Identification	Operating pressure	Ø d1	G1	G2	Ø d3	i1	i2	L	AF
		(mm)			(mm)	(mm)	(mm)	(mm)	(mm)
RIL M 18 22	PN 250	8	M 18 x 1.5	M 22 x 1.5	23	12	20	41	32

PN = Nominal pressure PB = Max. operating pressure
