Properties

| Connection 1 | metric cylindrical outer thread |
| :--- | :--- |
| Sealing form 1 | $24^{\circ}$ inner cone |
| Connection 2 | metric cylindrical outer thread |
| Sealing form 2 | $24^{\circ}$ inner cone |
| Design | Fitting |
| Construction | straight |
| Standard | ISO 8434-1 |
| Scope of supply | Socket with union nut and cutting ring |
| Material | Steel |
| Surface | electro galvanised |

## Note

Information about fitting, installation, pressure loads and permissible operating temperatures can be found in the technical information for pipe fittings.
