## Screw in fitting

Properties						
Connection 1	BSP external thread, cylindrical					
Sealing form 1	Shape E					
Connection 2	metric cylindrical outer thread					
Sealing form 2	24° inner cone					
Design	Screw-in fitting					
Construction	straight					
Standard	DIN 2353 ISO 8434-1					
Scope of supply	Socket with union nut and cutting ring					
Material	Brass					

## Note

Information about fitting, installation, pressure loads and permissible operating temperatures can be found in the technical information for pipe fittings.

Item
