

## Properties

|                |                                  |
|----------------|----------------------------------|
| Connection 1   | BSP external thread, cylindrical |
| Sealing form 1 | 60° inner cone                   |
| Connection 2   | NPT external threads             |
| Sealing form 2 | thread seal                      |
| Design         | Screw-in sockets                 |
| Construction   | straight                         |
| Material       | Steel                            |
| Surface        | electro galvanised               |

## Item
