

Properties				
Application	General application, e.g. in industry, construction machinery, agricultural technology etc.			
Connection 1	metric cylindrical outer thread			
Sealing form 1	24° inner cone			
compatible with	Stucchi			
Material	Steel			
Surface	electro galvanised			

## Note

With standard threaded connections in determining the operating pressure of the maximum rated pressure is taken into account. Interchangeable with couplings to ISO 16028.

## **Description**

Flat seal plug-in coupling for minimal oil leakages and air admittance when coupling.

For a high flow with minimal pressure loss.

Suitable for use in environmentally sensitive areas.

## Ordering information

Other pressure and temperature figures available on request.
