

# SKM IM ARG

## Plug-in coupling sleeve

### Properties

|                       |   |
|-----------------------|---|
| <b>Application</b>    | General application, e.g. in industry, construction machinery, agricultural technology etc. |
| <b>Connection 1</b>   | metric cylindrical inner thread   |
| <b>Sealing form 1</b> | for screw-in pins with shapes A, B and if necessary E                                       |
| <b>Material</b>       | Steel   |
| <b>Surface</b>        | electro galvanised  |

### Description

Plug-in couplings allow quick coupling.

Complies with the standards ISO 5675 and SAE J1036.

The double acting sliding sleeve provides a push/pull function when coupling.

### Item

| Identification         | DN* | Connecting thread | Size | Operating pressure<br>(bar) | SF coup.* | Mineral oil temp. min.<br>(°C) | Mineral oil temp. max.<br>(°C) |
|------------------------|-----|-------------------|------|-----------------------------|-----------|--------------------------------|--------------------------------|
| <b>SKM 08 IM 2 ARG</b> | 8   | M 16x1,5          | 2    | 400,0                       | 4         | -40                            | 100                            |

DN = Nominal diameter, nominal width – SF gek. = Safety factor coupled
