

HFM ST

Locking connector for plug-in coupling DN 2

Properties

suitable for Measuring technology plug-in couplings

Scope of supply with retaining pin

Material Plastic / steel

Item

Identification	DN*
HFM ST	2

DN = Nominal diameter, nominal width

Spare part for following products

HFM KL S / HFM KS S Measuring connection, plug-in series

HFM MKR S Measuring connection, plug-in series

XHFM T HL S / XHFM T HS S Measuring connection, plug-in series

HFM MKR S ED Measuring connection, plug-in series

HFM MK S Measuring connection, plug-in series

HFM MK S ED Measuring connection, plug-in series

HFM MMA S Pressure gauge connection

HFM T HL S / HFM T HS S Measuring connection, plug-in series
