

## Properties

|                   |                                  |
|-------------------|----------------------------------|
| Design            | Claw outer thread coupling       |
| Construction type | with safety double cam           |
| Connection 1      | BSP external thread, cylindrical |
| Connection 2      | Claw coupling                    |
| Sealing form 2    | Brass seal with rubber insert    |
| Temp. min.        | -40 °C                           |
| Temp. max.        | 95 °C                            |
| Material          | Cast iron                        |
| Surface           | electro galvanised               |

## Note

A coupling with rubber seal must be used as the counter coupling.

## Item

| Identification | Connecting thread | Cog space (mm) | Operating pressure |
|----------------|-------------------|----------------|--------------------|
| LSK NW 13 HR M | G 1/2" -14        | 42             | PN 10              |
| LSK NW 20 HR M | G 3/4" -14        | 42             | PN 10              |
| LSK NW 25 HR M | G 1" -11          | 42             | PN 10              |

## Spare parts

|          |                                   |
|----------|-----------------------------------|
| LSK MOOH | Brass sleeve for claw coupling    |
| LSK HOOS | Retaining screw for claw coupling |
| LSK SOOR | Hose ring for claw coupling       |
