

# K 460-12-6

Screw-in socket with test connection

| Properties        |                                 |
|-------------------|---------------------------------|
| Connection 1      | metric cylindrical outer thread |
| Connection 2      | Measuring connection M 16 x 1.5 |
| Construction type | with cap                        |
| Design            | with test connection            |
| Construction      | straight                        |
| Material          | Steel                           |
| Surface           | electro galvanised              |

| Item           |            |            |           |            |            |            |
|----------------|------------|------------|-----------|------------|------------|------------|
| Identification | G1         | G2         | i<br>(mm) | L1<br>(mm) | L2<br>(mm) | AF<br>(mm) |
| K 460-12-6     | M 12 x 1.5 | M 16 x 1.5 | 12        | 46         | 38         | 17         |

AF = Width across flats
