

# FI ND E SF

Filter element for low-pressure filter SF

| Properties         |             |
|--------------------|-------------|
| Temp. min.         | -25 °C      |
| Temp. max.         | 120 °C      |
| Material           | Gasket: NBR |
| Operating pressure | Max. 10 bar |

| Item                |                          |                      |                 |           |             |             |             |                |
|---------------------|--------------------------|----------------------|-----------------|-----------|-------------|-------------|-------------|----------------|
| Identification      | Filter mesh size<br>(µm) | Filter area<br>(cm2) | Filter material | L<br>(mm) | Ø A<br>(mm) | Ø B<br>(mm) | Ø C<br>(mm) | Weight<br>(kg) |
| FI ND E SF 0090 A03 | 3,0                      | 1297                 | inorganic       | 99,0      | 73,6        | 32,0        | 32,0        | 1,15           |

Qmax - max intake volumetric flow
