

K-WASSERABSCHIEDER 28

Water trap tee for 28 mm pipe

Properties

Material Brass

Note

Further information on request

Description

Solves the problem of moisture in branch lines. Must be used in conjunction with K-07402872! The converter is inserted into the plastic pipe and the pipe into the union tee. By turning the screw cap a quarter turn, the pipe is doubly locked!

Additional information

A detailed brochure containing installation instructions and information about pipe sizing is available for this product range
