

# K-WASSERABSCHIEDER 28

Water trap tee for 28 mm pipe

Properties	
Material	Brass

**Note**  
Further information on request

**Description**  
Solves the problem of moisture in branch lines. Must be used in conjunction with K-07402872! The converter is inserted into the plastic pipe and the pipe into the union tee. By turning the screw cap a quarter turn, the pipe is doubly locked!

**Additional information**  
A detailed brochure containing installation instructions and information about pipe sizing is available for this product range
