

# K-LP DOS AL

Variable-control blow guns, aluminium

Properties	
Operating pressure	Max. 10 bar
Working pressure	2 to 6 bar
Operating temperature	-10 °C to +50 °C

**Note**  
Further information on request

**Description**  
The blowing power is steplessly adjusted by the lever action and can be increased up to the maximum level. The blowing force can thus be individually controlled to cover a wide range of applications.
