

K-LP DOS AL

Variable-control blow guns, aluminium

Properties	
Operating pressure	Max. 10 bar
Working pressure	2 to 6 bar
Operating temperature	-10 °C to +50 °C

Note
Further information on request

Description
The blowing power is steplessly adjusted by the lever action and can be increased up to the maximum level. The blowing force can thus be individually controlled to cover a wide range of applications.
