

Características

| | |
|----------------------------|--|
| Campo de aplicación | para tubos flexibles de aspiración y retorno |
| Construcción | Abrazadera de perno de articulación |
| Norma | análogo a DIN 3017 |
| Material | Acero fino 1.4301 |

Artículo

| Denominación | Rango de tensión (mm) | Ancho de cinta (mm) | SW (mm) |
|--------------|-----------------------|---------------------|---------|
| MRSS 17-19 | 17 - 19 | 18,0 | 8 |
| MRSS 19-21 | 19 - 21 | 18,0 | 8 |
| MRSS 21-23 | 21 - 23 | 18,0 | 8 |
