

K-WASSERABSCHIEDER 28

Water trap tee for 28 mm pipe

HANSA FLEX

Características

Material Latón

Nota

Otras especificaciones a petición.

Descripción

Solves the problem of moisture in branch lines. Must be used in conjunction with K-07402872! The converter is inserted into the plastic pipe and the pipe into the union tee. By turning the screw cap a quarter turn, the pipe is doubly locked!

Información adicional

A detailed brochure containing installation instructions and information about pipe sizing is available for this product range
