

# NRS W4 (15 mm)

Fascetta di sostegno

**HANSA FLEX**

## Caratteristiche

|                         |  |
|-------------------------|--|
| <b>Campo di impiego</b> | per il fissaggio di tubi, tubi flessibili e cavi |
| <b>Tipo</b>             | Fermatubo  |
| <b>Tipo aggiuntivo</b>  | con profilo in gomma                             |
| <b>Norma</b>            | DIN 3016   |
| <b>Materiale</b>        | Acciaio al cromo-nichel (1.4301)                 |

## Articolo

| Denominazione | Ø minore (mm) | Larghezza di banda (mm) | Foro Ø (mm) |
|---------------|---------------|-------------------------|-------------|
| NRS 05-15 W4  | 5             | 15,0                    | 6,4         |
| NRS 06-15 W4  | 6             | 15,0                    | 6,4         |
| NRS 07-15 W4  | 7             | 15,0                    | 6,4         |
| NRS 08-15 W4  | 8             | 15,0                    | 6,4         |
| NRS 09-15 W4  | 9             | 15,0                    | 6,4         |
| NRS 10-15 W4  | 10            | 15,0                    | 6,4         |
| NRS 11-15 W4  | 11            | 15,0                    | 6,4         |
| NRS 12-15 W4  | 12            | 15,0                    | 6,4         |
| NRS 13-15 W4  | 13            | 15,0                    | 6,4         |
| NRS 14-15 W4  | 14            | 15,0                    | 6,4         |
| NRS 15-15 W4  | 15            | 15,0                    | 6,4         |
| NRS 16-15 W4  | 16            | 15,0                    | 6,4         |
| NRS 17-15 W4  | 17            | 15,0                    | 6,4         |
| NRS 18-15 W4  | 18            | 15,0                    | 6,4         |
| NRS 19-15 W4  | 19            | 15,0                    | 6,4         |
| NRS 20-15 W4  | 20            | 15,0                    | 6,4         |
| NRS 21-15 W4  | 21            | 15,0                    | 6,4         |
| NRS 22-15 W4  | 22            | 15,0                    | 6,4         |
| NRS 23-15 W4  | 23            | 15,0                    | 6,4         |
| NRS 24-15 W4  | 24            | 15,0                    | 6,4         |
| NRS 25-15 W4  | 25            | 15,0                    | 6,4         |
| NRS 26-15 W4  | 26            | 15,0                    | 6,4         |
| NRS 27-15 W4  | 27            | 15,0                    | 6,4         |
| NRS 28-15 W4  | 28            | 15,0                    | 6,4         |
| NRS 29-15 W4  | 29            | 15,0                    | 6,4         |
| NRS 30-15 W4  | 30            | 15,0                    | 6,4         |
| NRS 31-15 W4  | 31            | 15,0                    | 6,4         |
| NRS 32-15 W4  | 32            | 15,0                    | 6,4         |
| NRS 33-15 W4  | 33            | 15,0                    | 6,4         |
| NRS 34-15 W4  | 34            | 15,0                    | 6,4         |
| NRS 35-15 W4  | 35            | 15,0                    | 6,4         |
| NRS 36-15 W4  | 36            | 15,0                    | 6,4         |
| NRS 37-15 W4  | 37            | 15,0                    | 6,4         |
| NRS 38-15 W4  | 38            | 15,0                    | 6,4         |
| NRS 39-15 W4  | 39            | 15,0                    | 6,4         |
| NRS 40-15 W4  | 40            | 15,0                    | 6,4         |

## Varianti dei prodotti

|                |  |
|----------------|--|
| NRS (15 mm)    | Fascetta di sostegno, Acciaio                          |
| NRS (9 mm)     | Fascetta di sostegno, Acciaio                          |
| NRS (12 mm)    | Fascetta di sostegno, Acciaio                          |
| NRS W4 (12 mm) | Fascetta di sostegno, Acciaio al cromo-nichel (1.4301) |
| NRS (20 mm)    | Fascetta di sostegno, Acciaio                          |
| NRS W4 (20 mm) | Fascetta di sostegno, Acciaio al cromo-nichel (1.4301) |
| NRS (25 mm)    | Fascetta di sostegno, Acciaio                          |
