K-SCHLAUCHHALTER ALU

Hose holders, aluminium unpainted

Caratteristiche

Materiale Aluminium, unpainted

Nota

In combination with the rounded holder design, the fact that a small hose holder can be placed inside a large one, or a medium hose holder inside a maxi one, creates extra storage capacity without any increase in the space required.

Descrizione

Easy mounting on the wall with variable hole pattern (7 drilled holes). Suitable for holding hoses, cables or ropes. Unpainted. Countersunk holes guarantee a smooth surface in the mounting area.
