Alloggiamento, bussola, corpo valvola	Nickel-plated brass
Molla, anello elastico, perni	Stainless steel
Materiale di tenuta	NBR

Nota

Altri dati su richiesta.

Descrizione

Universal, one-hand quick disconnect couplings, one side sealing, at an unbeatably low price. Compatible with CEJN 320, Rectus 25/26 and JWL 520/530. The closed sleeve protects the coupling from dirt. In combination with steel plugs, this coupling can also be used for pneumatic tools thanks to its hardened locking pins.
