

# K-DRG MEMBRAN O SEKUNDAERENTL MANO

Pressure regulators with pressure gauge

**HANSA FLEX**

## Īpašības

|                              |                                                                           |
|------------------------------|---------------------------------------------------------------------------|
| Ieejas spiediens             | Max. 25 bar                                                               |
| Vielas temperatūra           | max. 50 °C                                                                |
| Vides temperatūra            | Max. 50 °C                                                                |
| Caurplūde                    | 3.5 l/min                                                                 |
| Blīvēšanas materiāls         | NBR                                                                       |
| Atsperes korpuss             | POM                                                                       |
| Korpuss                      | Brass                                                                     |
| Membrāna                     | NBR                                                                       |
| Caurplūdes vērtības mērījums | At P1 = 7 bar, P2 = 5 bar (water) and pressure drop $\Delta p \leq 1$ bar |

## Norāde

Citi dati pieejami pēc pieprasījuma.

## Apraksts

Diaphragm pressure regulators with non-self relieving design for water, compressed air and non-aggressive gases.

## Izstrādājums

| Apzīmējums     | Vītnes | Regulēšanas diapazons | A<br>(mm) | B       | C<br>(mm) | D<br>(mm) |
|----------------|--------|-----------------------|-----------|---------|-----------|-----------|
| K- 07 25 04 75 | G 1/4  | 0.1 - 3 bar           | 40,0      | 78,0 mm | 63,0      | 15,0      |
| K- 07 25 04 76 | G 1/4  | 0.2 - 6 bar           | 40,0      | 78,0 mm | 63,0      | 15,0      |
| K- 07 25 04 77 | G 1/4  | 0.5 - 10 bar          | 40,0      | 78,0 mm | 63,0      | 15,0      |

## Rezerves daļas

|                    |                      |
|--------------------|----------------------|
| K-HALTERBAUSATZ    | Holder               |
| K-SCHALTAFELMUTTER | Nut                  |
| K-VERSCHLEI-SATZ   | Set of wearing parts |
