## K-W90 VERBINDER PP

## Union elbows

Características	
Pressão de trabalho	on request
Temperatura operacional	Max. +20 °C
Material	Polipropileno (PP)
Material de vedação	NBR

## Nota

Outras indicações a pedido.

## Descrição

Lightweight, push-in fittings distinguished by high strength, toughness, resistance to abrasion and impact resistance - ideal for a wide range of applications. Plastic and metal tubes are connected together quickly and easily. Suitable for compressed air or liquids, with good resistance to a large number of chemicals.
