

# K-RED FLANSCH 80-100 IG INFI

Reducing flange Ø 80 mm/Ø 110 mm with female thread

## Caracteristici

|                        |                                     |
|------------------------|-------------------------------------|
| Medii                  | Compressed air, vacuum, inert gases |
| Presiune de lucru      | -0,99 bar - 15 bar                  |
| Domeniu de temperaturi | -20 °C to +80 °C                    |
| Inel de ghidare        | Technopolymer                       |
| Carcasă                | Aluminium, treated surface          |
| Șurub inbus            | Galvanised steel                    |
| Inel de fixare         | Stainless steel 1.4301              |
| Piuliță                | Aluminium, surface treated          |
| Inel O                 | NBR                                 |
| Piuliță autoasigurantă | Galvanised steel                    |
| Inele de siguranță     | Technopolymer                       |
