K-TR PU FU

Anti-spark PU hose

Vlastnosti

Pracovný tlak	Dependent on temperature: 12 bar at 24 °C, 5 bar at 66 °C
Farba	čierny
Teplota	-40 °C to +70 °C

Poznámka

Ďalšie údaje na vyžiadanie.

Popis

Blue polyurethane hose with an outer sheath made of black synthetic resin material. This sheath protects the inner PU tube from welding sparks. The sheath is not attached to the inner tube and can therefore be easily removed to enable conventional fittings to be installed. Protects against welding sparks, extremely flexible and non-kinking, resistant to a large number of chemicals, oils, greases, acids, bases, heat, ageing, UV light.

Výrobok

Označenie	vnútorný Ø hadice (mm)	vonkajší Ø hadice (mm)	Hrúbky steny (mm)
K- 07 10 03 59	4,0	6,0	1,0
K- 07 10 03 60	5,0	8,0	1,5
K- 07 10 03 61	8,0	12,0	2,0
