

# K-SCHLAUCHHALTER ALU

Hose holders, aluminium unpainted

**HANSA FLEX**

## Vlastnosti

**Materiál** Aluminium, unpainted

## Poznámka

In combination with the rounded holder design, the fact that a small hose holder can be placed inside a large one, or a medium hose holder inside a maxi one, creates extra storage capacity without any increase in the space required.

## Popis

Easy mounting on the wall with variable hole pattern (7 drilled holes). Suitable for holding hoses, cables or ropes. Unpainted. Countersunk holes guarantee a smooth surface in the mounting area.
