Kryt	Brass with a bare metal surface
vložka ventila	chromium steel
Gumové opláštenie	EPDM

Poznámka

Ďalšie údaje na vyžiadanie.

Popis

Ideal for cleaning in industry and manual trades. The thick rubber coating provides thermal insulation for the hot or cold water flowing inside as well as impact protection. The flow rate is controllable with the adjustment screw (using a coin). The steel shackle allows the lever to be latched for extended use. Also suitable for drinking water.
