

K-SCHLAUCHHALTER ALU

Hose holders, aluminium unpainted

HANSA FLEX

Lastnosti

Material: Aluminium, unpainted

Navodilo

In combination with the rounded holder design, the fact that a small hose holder can be placed inside a large one, or a medium hose holder inside a maxi one, creates extra storage capacity without any increase in the space required.

Opis

Easy mounting on the wall with variable hole pattern (7 drilled holes). Suitable for holding hoses, cables or ropes. Unpainted. Countersunk holes guarantee a smooth surface in the mounting area.
