K-TR PU FU

Anti-spark PU hose

属性

工作压力	Dependent on temperature: 12 bar at 24 °C, 5 bar at 66 ° C
颜色	黑色
温度	-40 °C to +70 °C

提示

其它数据应客户要求提供。

描述

Blue polyurethane hose with an outer sheath made of black synthetic resin material. This sheath protects the inner PU tube from welding sparks. The sheath is not attached to the inner tube and can therefore be easily removed to enable conventional fittings to be installed. Protects against welding sparks, extremely flexible and non-kinking, resistant to a large number of chemicals, oils, greases, acids, bases, heat, ageing, UV light.

货品

名称	软管内径 Ø (mm)	软管外径 Ø (mm)	壁厚 (mm)
K- 07 10 03 59	4,0	6,0	1,0
K- 07 10 03 60	5,0	8,0	1,5
K- 07 10 03 61	8,0	12,0	2,0
